

Can infants generate explanations?

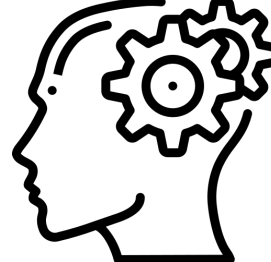

Sally Berson & Lisa Feigenson

Department of Psychological and Brain Sciences, Johns Hopkins University

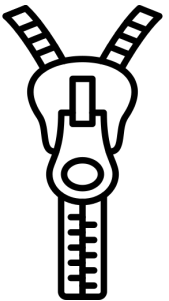

Background

Generating explanations helps us...
understand the world by going beyond spatiotemporal evidence

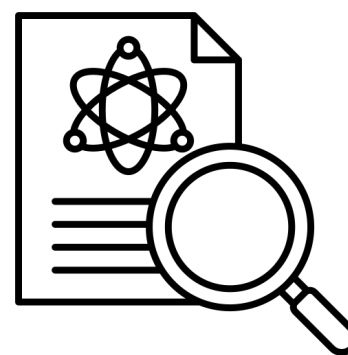

& recognize *gaps* in our understanding of the world from ordinary objects...

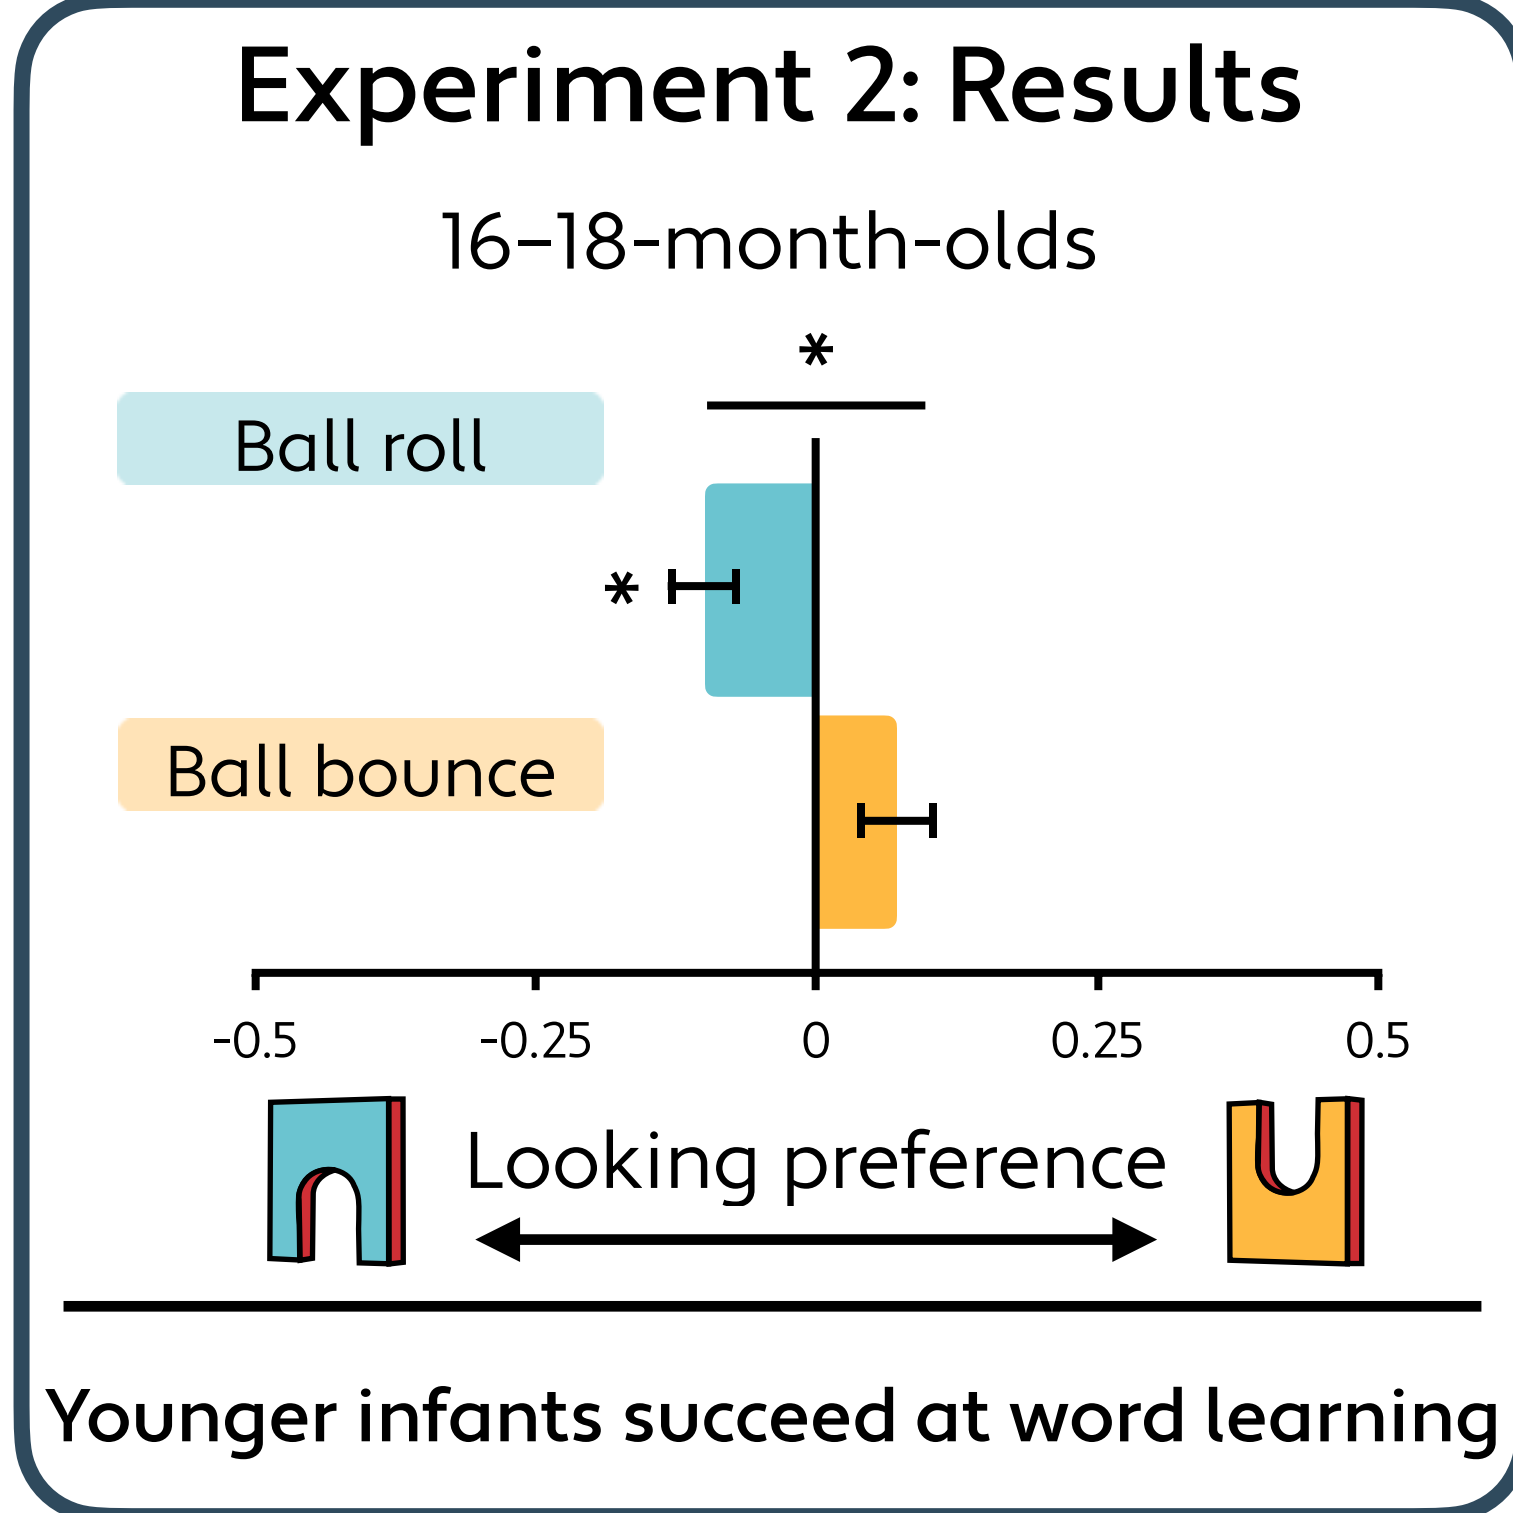

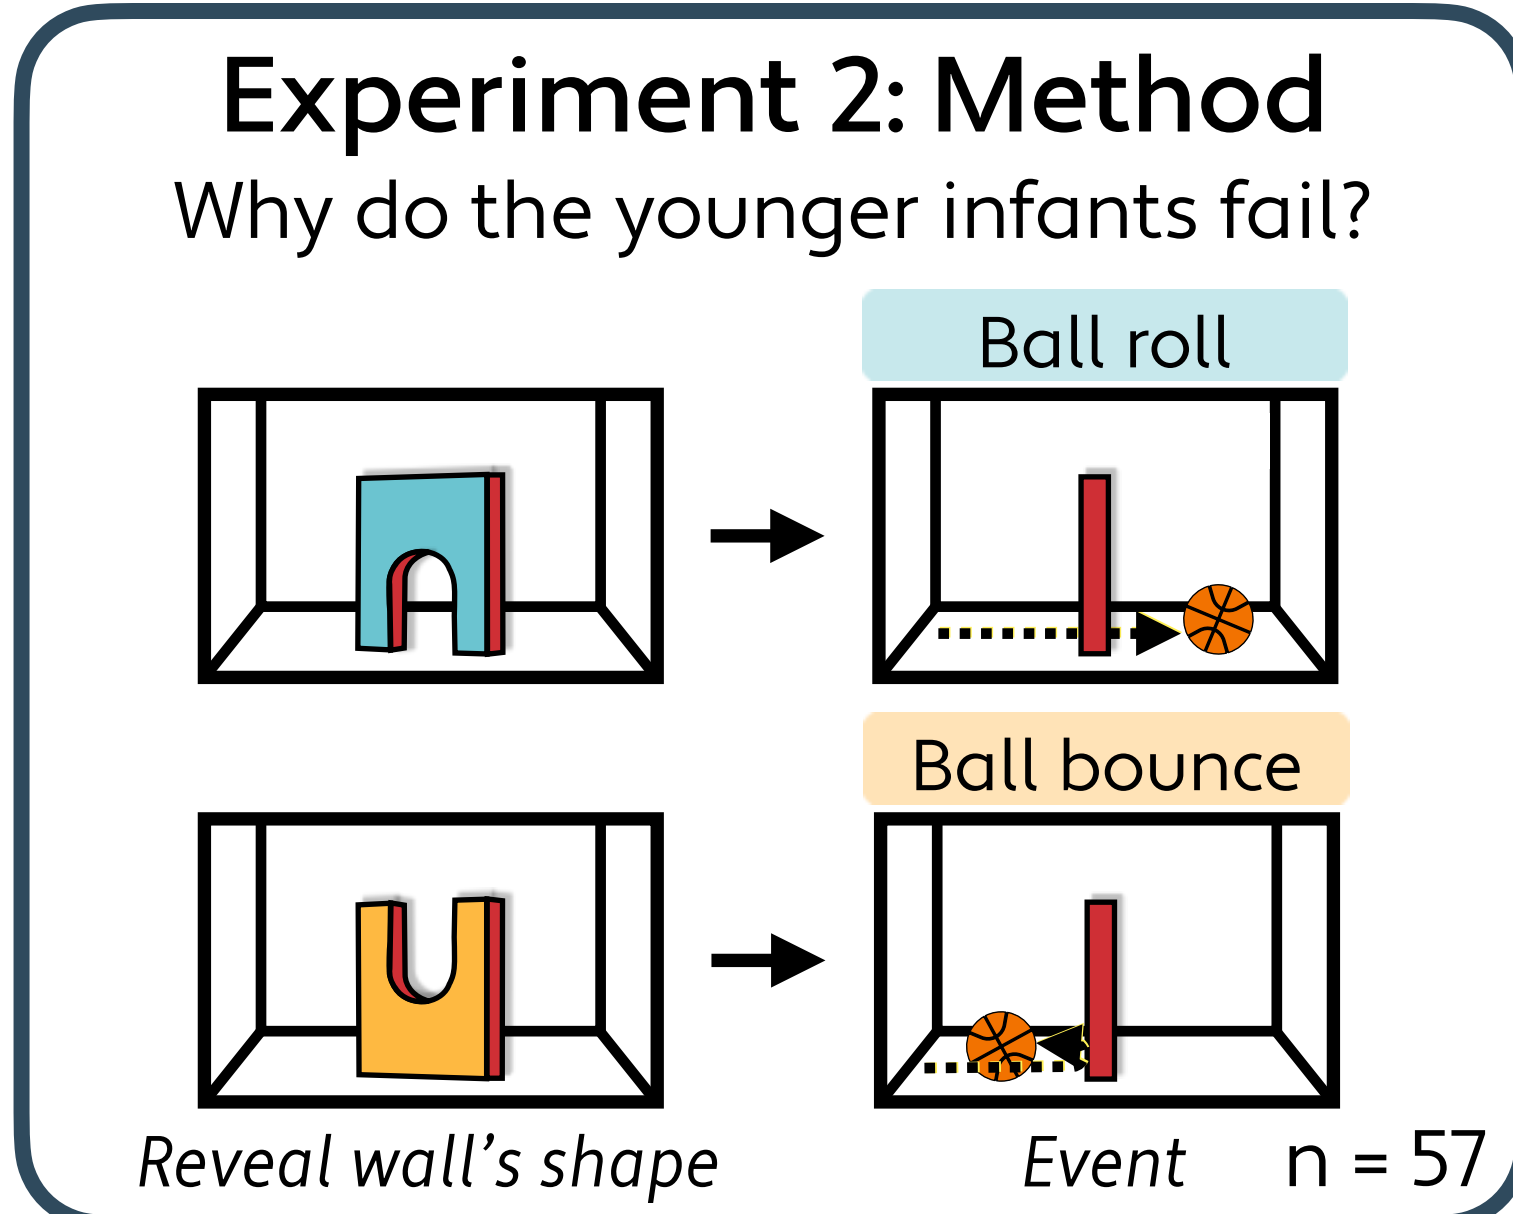

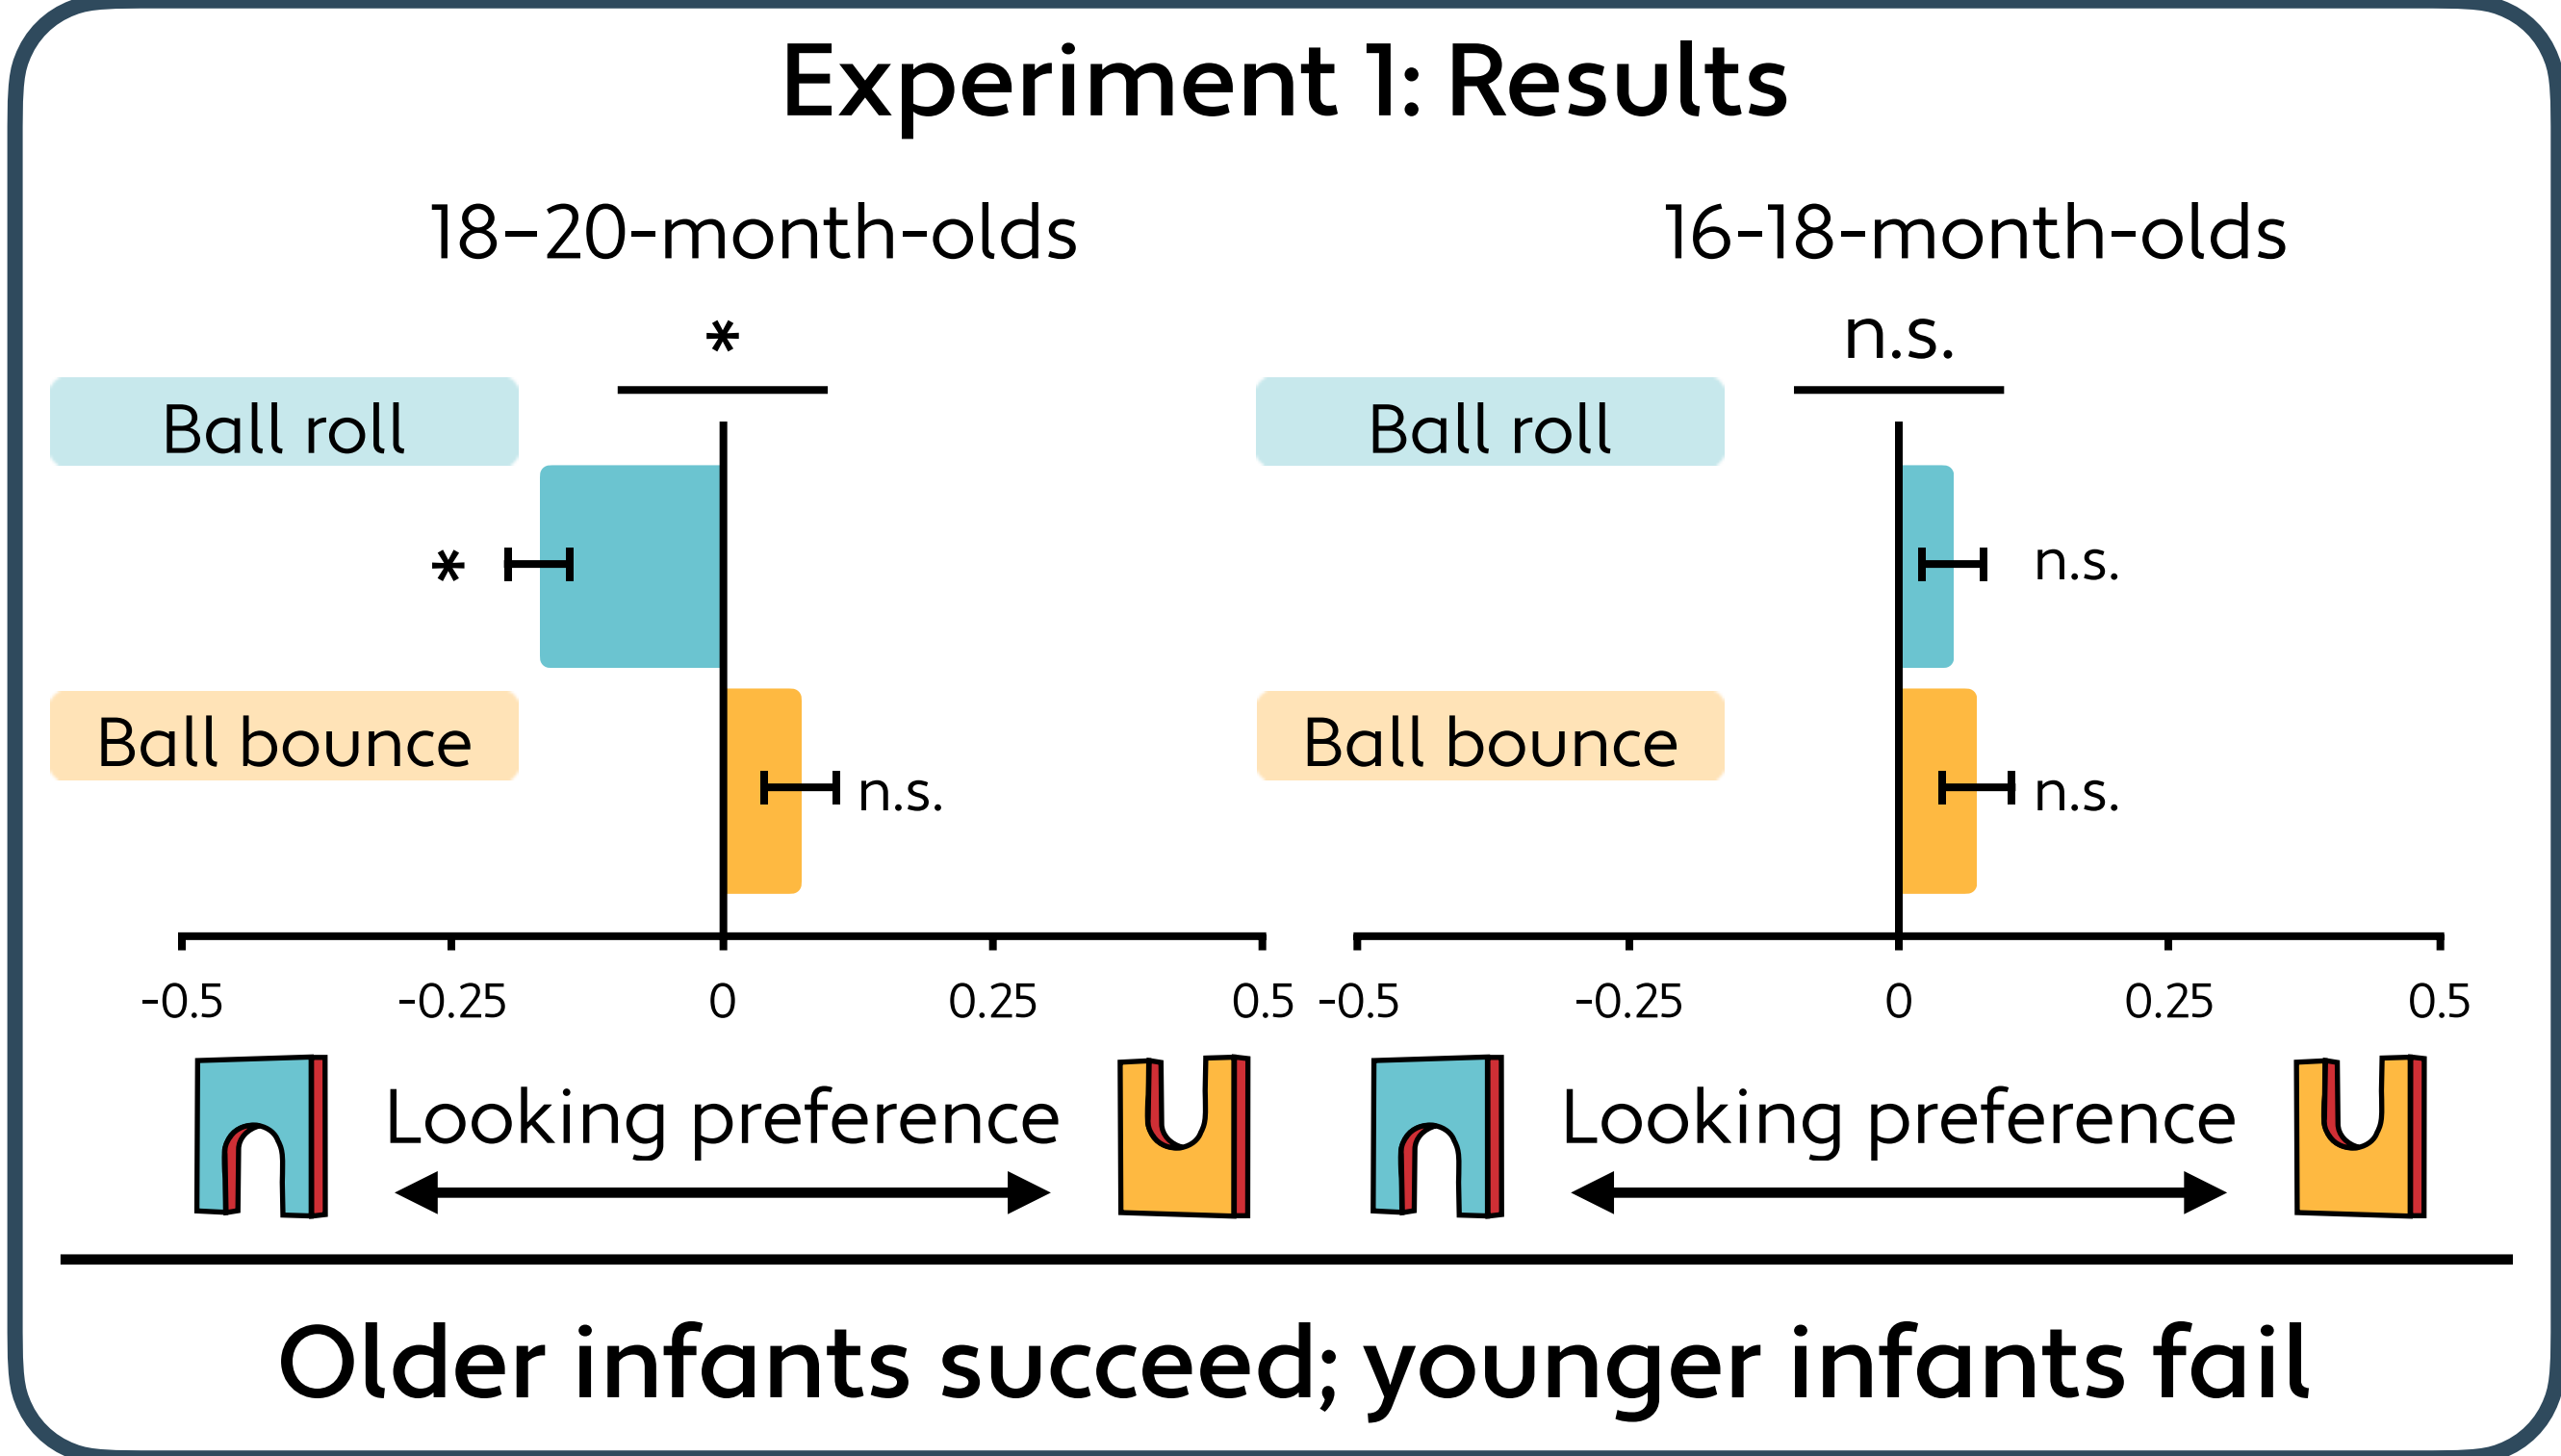

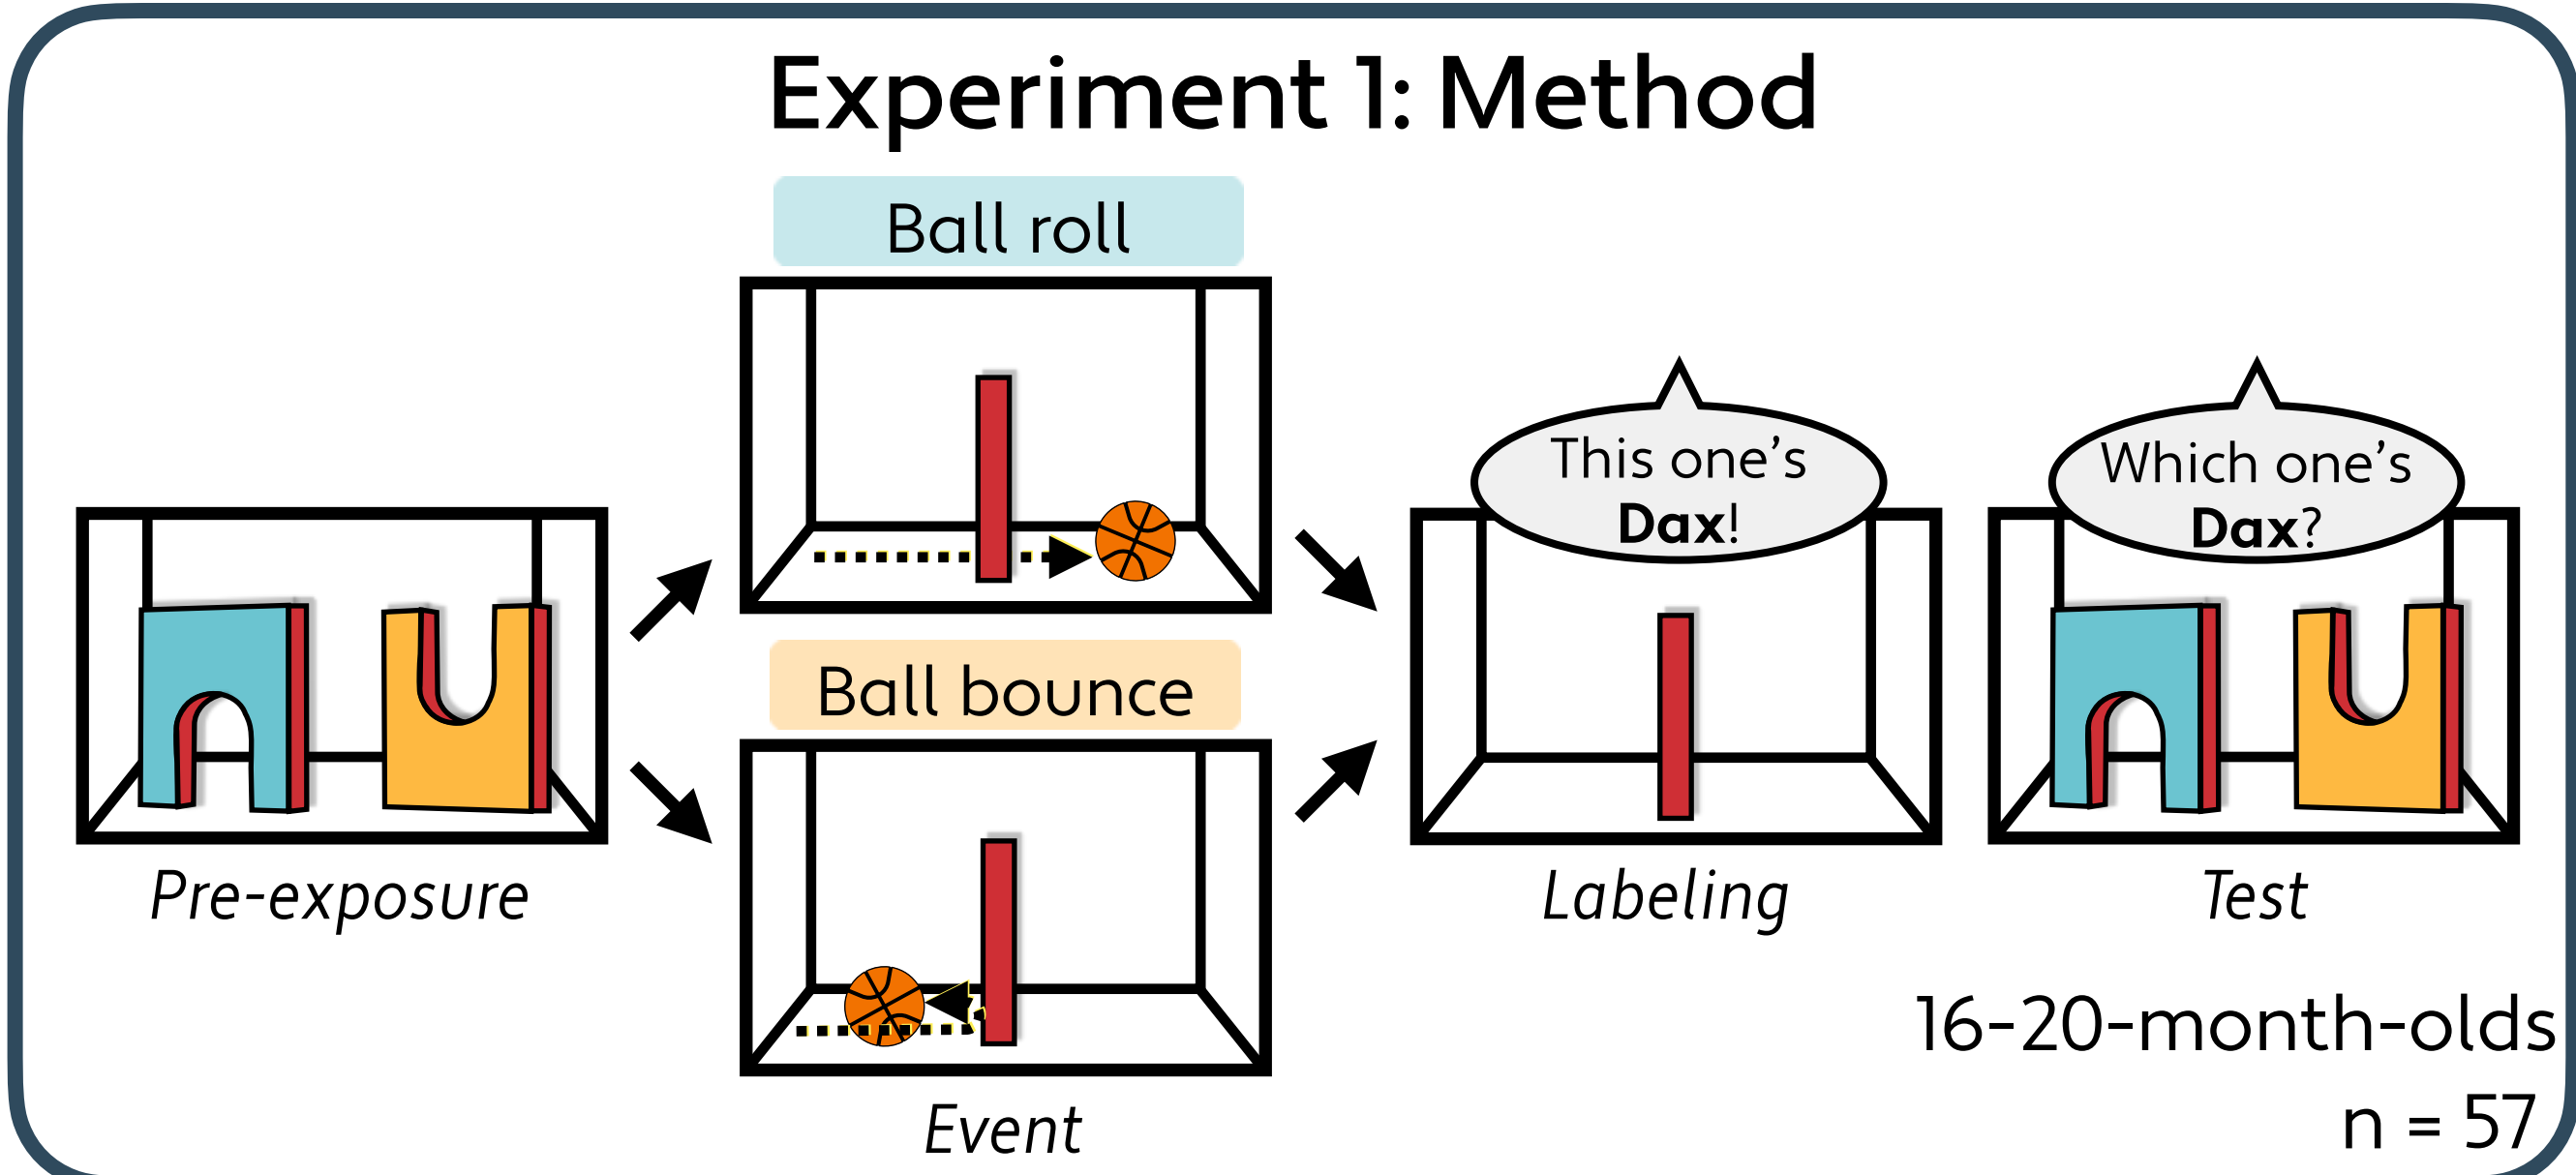

Illusion of Explanatory Depth
(Rozenblit & Keil, 2002)

...to science

jargon in scientific explanation
(Cruz & Lombrozo, 2025)

Developmental change in the ability to generate explanations between 16-20 months!
